"Money Mentors - CommonBond is focused on helping student financial literacy. Money Mentors are trained peers that provide help and support to students on all money and financial literacy issues. We know that students can learn best from peers. Students also learn best when we offer support via technology that matters to them. That's why Money Mentors provides text-based peer to peer coaching. It's new, it's exciting and it's only available at CommonBond."

KHEAA is a not-for-profit student-centered agency that focuses on helping college-bound students and their families prepare, plan and pay for college. Some of the free materials we make available to help in the college preparedness process are:

- It's Money Baby booklets – Money management tips including budgeting information
- Surviving College booklets – Information to help ease the transition from high school to college
- Your Guide to Private Education Loans booklet – an explanation between Direct Loans and private loans
- BeLoanSmart.com – a website specifically for helping college students understand student loan debt

CollegeCovered.com was created to help provide students, parents and high school counselors with the know-how to plan and pay for college. The site features compelling multimedia editorial content, insider tips and interactive tools to inform the college planning process and empower smart financial decision making. School counselors can access the Resource for Counselors section of the site for stories and tips from peers. College Covered is powered by Discover Student Loans.

Missouri Scholarship and Loan Foundation's mission is to provide innovative products and services to help Missouri students, particularly those with insufficient financial resources, to prepare for, enter into and successfully complete higher education at Missouri institutions. The Foundation offers a variety of resources to help students pay for college including scholarship and grant programs for Missouri residents. For example, the Access Extra Scholarship is a renewable scholarship for high school seniors who are eligible for the state's Access Missouri Financial Assistance Program and have a 28 or higher ACT.

Check out Scholarship Central for numerous statewide scholarship opportunities at myscholarshipcentral.org
